**KANE COUNTY
MENTAL HEALTH COUNCIL**
making a difference ...together

making a difference ...together

People who need mental health services for themselves or family members, and the local non-profit mental health organizations that serve them, want quick access and sufficient levels of mental health services. Due to insufficient funding, most mental health providers are experiencing waiting lists for non emergency cases. The Kane County Mental Health Council is continuously working to coordinate available services and to bring additional resources to Kane County in order to better serve county residents.

Southern Kane County: 630-966-9393**

**KANE COUNTY
MENTAL HEALTH COUNCIL**
making a difference ...together

In January of 2007, the county's mental health service providers partnered to create the Kane County Mental Health Council. This alliance is dedicated to improving mental health services for children, adults and families in their communities. The alliance formed in response to community demand, and to the findings of the Kane County Health Department's IPLAN (Illinois' Project for Local Assessment of Needs).

The independent Council formed to coordinate services and to make the system more responsive by bringing together provider organizations, mental health authorities, major funders of mental health services, mental health advocacy groups and public officials.

As member organizations...

- We are committed to providing quality mental health services for all residents of Kane County.
- We agree that our missions are closely aligned, and that collaboration on programs and projects is critical to the effective planning and delivery of mental health services to the community.
- We desire to establish a structure and process through which we can work together to develop the resources necessary to increase the capacity of the Kane County mental health service system while decreasing the fragmentation of services.

The Association for Individual Development

AID is a non-profit, community-based organization that serves individuals with mental health and substance abuse concerns in Southern Kane County. A variety of programming is available to meet the specific needs of the individual, including Crisis Services, Outpatient treatment, Residential, Groups, Substance Abuse Counseling and Victims Services.

630-966-4000 | www.the-association.org/behavioralhealth.php

Aunt Martha's Healthcare Network

Aunt Martha's offers a variety of programs and services designed to provide a full continuum of care for children, teens and families in Illinois. These resources form a spectrum of care that includes: child welfare, community based, healthcare & Mental Health Services.

630-859-6562 | www.auntmarthas.org

Delnor Community Hospital

Delnor-Community Hospital offers a wide range of psychological services for children, adolescents, adult and geriatric adult populations, including: neuropsychological assessment, psychological testing, ADHD testing, treatment for depression (including Postpartum Depression), anxiety, chronic pain, cancer support, crisis intervention, and a number of other personal, familial and marital counseling issues.

630-208-3000 | www.delnor.com

The Ecker Center for Mental Health

The Ecker Center for Mental Health provides services to adults with mental illness who live in the northern two-thirds of Kane County plus Barrington and Hanover Townships. Services include psychiatric care, medication and case management, recovery programs, supportive residences and psychotherapy. 24/7 crisis intervention is available through the Psychiatric Emergency Program located next to Sherman Hospital Emergency Department. Fees for service are based on a sliding scale according to income and family size. Medicaid and Medicare also will reimburse.

Family Counseling Service of Aurora

Family Counseling Service strengthens families through its programs of Behavioral Health, Big Brothers Big Sisters mentoring and Consumer Credit Counseling Services. The agency is fully accredited, offers services in Spanish and accepts most insurances.

630-844-2662 | www.aurorafcs.org

Family Service Association of Greater Elgin Area

We offer a full array of out-patient mental health services for children and adolescents that reside in School District U-46, Burlington or District #300. The agency is also the Screening Assessment and Support Service (SASS) provider for Kane and Kendall Counties. This program screens children and adolescents who are at imminent risk of needing to be hospitalized for psychiatric reasons that are wards of the Illinois Department of Children and Family Services, who are Medicaid eligible or who have no health insurance.

847-695-3680 | www.fsaelgin.org

Gateway Foundation/Aurora

Provides outpatient mental health services to children, adolescents, and adults. Provides substance abuse treatment services in outpatient, residential, and recovery home settings for adult women. Residential substance abuse services for adolescent females scheduled to open in December 2008.

630-966-7400 | www.recoveratgateway.org

Greater Elgin Family Care Center

GEFCC provides quality, affordable and comprehensive behavioral health, medical and dental care to all residents of the greater Elgin area, regardless of their ability to pay. Our services include child and adolescent psychiatry and behavioral health counseling for children, teens and families. Medicaid/All Kids and FamilyCare recipients are always welcomed!

847-608-1344 | www.gefcc

Kane County Health Department

The Kane County Health Department is working to assess and assure mental health services for the residents of Kane County. Access to mental health services is one of the 5 priorities under Kane County's IPLAN (Illinois Project for Local Assessment of Needs).

630-208-3801 | www.kanehealth.com

League of Women Voters

The League of Women Voters is a volunteer, nonpartisan political organization that encourages informed and active participation in government, works to increase understanding of major public policy issues and influences public policy through education and advocacy. The League takes positions on issues and works to achieve public policies consistent with that position.

630-365-2138 | www.lwvgenstc.org

INC. BOARD, NFP

INC. BOARD, NFP is the local mental health authority (708 Board) for seven townships of south Kane County. INC funds and plans for mental health, developmental disability and substance abuse services.

630-892-5456 | www.incboard.org

National Alliance on Mental Illness, DeKalb, Kane-South, Kendall Counties, Inc.

We assist people in finding appropriate help for their needs, provide education classes and support groups for the families, seek and promote public education to reduce and eliminate discrimination and stigma, promote awareness of and involvement in pertinent legislation at all levels of Government, plus create and provide reference literature on area services and different mental illnesses.

630-896-626 | www.namidkk.org

NAMI Kane County

NAMI Kane County is an organization whose members are dedicated to the welfare of people with mental illness and their families. Our primary goals are: to support each other, educate, and advocate for improved mental health services.

847/931-4715 or 847/426-4594 | www.namikanecounty.net

Presence Mercy Medical Center

Provena Mercy Medical Center offers inpatient and outpatient behavioral health services and addiction services for children and adolescents, adults and older adults. To access any services 24 hours a day, 7 days a week call 630-801-2657 to schedule a free, confidential assessment.
